# H1

Well cleaned and lubricated ...

... using Bizerba H1 "Food Grade" Oil

Long service life and constant availability - this assumes professional servicing for your Bizerba appliances and machines. It also includes regular cleaning and lubrication of bearings, spindles, joints and conveyor chains. The H1 "Food Grade" Oil from Bizerba is a special oil that meets top demands in the food processing and pharmaceutical industries with regard to functional and health aspects.

#### NSF-H1 classification recognised world-wide

Bizerba H1 "Food Grade" Oil is based on the specifications of the NSF (National Sanitation Foundation) and H1, the strictest international hygiene standard. As such this oil has excellent qualities in the health and hygiene sector:

- Made from food grade, impeccable raw materials that pose no health risk and meet the highest purity requirements throughout the process
- Tasteless and odourless
- Contains no culture medium for micro-organisms

#### Benefits for perfect technology:

- Cares, cleans, lubricates and protects all in one
- Ensures smooth mechanical functions
- Protects against corrosion and oxidation
- Supports long mechanical life
- Also for use at freezing temperatures
